ORDER

LEWIS A. KAPLAN, *District Judge*.

Despite the Court's citation in its February 22 order of cases making clear beyond peradventure of a doubt that allegations of residence do not suffice to establish either nationality or citizenship, defendants' (misnamed) amended petition for removal, which the Court treats as a notice of removal, *see* 28 U.S.C. § 1446, continues to allege only residence but not nationality or citizenship. It therefore does not allege complete diversity of *citizenship*.

The case is remanded to the New York Supreme Court, Bronx County.

SO ORDERED.
